MANAGEMENT DISCUSSION & ANALYSIS REPORT {MDAR}

A. Industry Structure and developments:

The company was a part of agro based solvent extraction industry, till the year 2003. Thereafter since then company is struggling to explore new business opportunities.

During the year 2009-10 the Company under the leadership of Director Shri Ashok.M.Chhajed had taken a new initiative of launching 'PROPERTY EX', a new area of business with great enthusiasm to deal in corporate services, advisory services real estate broking services, property management and HR management services.

The company had developed a real estate broker's network to buy, sale, and lease the property which offers corporate services, advisory services real estate broking services, property management and HR management services under the portal www.propertyex.in

But unfortunately, the expectations from the venture did not turn up, leaving with heavy losses Company had appointed 108 franchisees across Mumbai city but response was very negative and therefore the business of Property-ex was closed prematurely, after incurring heavy losses.

At present company is engaged in fund & non-fund based activities but not as an Investment Company by utilizing their experience of trade, and industry. Therefore to say company at present in the service sector and the activities of the company are yet to settle.

B. Opportunities:

As stated above, the company with the available resources is exploring the new business ventures in the Real Estate/ Agro based or any other line of business in coming time.

C. Once bitten twice shy, since the company has lost its major part of capital, do not want to take any aggressive move with the growing competition and unstable policies and practice in the trade and industry.

D. The company has requisite internal control systems commensurate with the size, in all financial and functional areas.

Annexure: II
Secretarial Auditor's Certificate on Corporate Governance under the Listing Agreement

The Members of RICHIRICH INVENTURES LTD

We have examined the compliance of conditions of corporate governance by the RICHIRICH INVENTURES LIMITED for the year ended 31st March 2017 as stipulated in Chapter IV of Securities & Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 pursuant to the Listing Agreement of the said Company with Stock Exchanges.

The compliance of conditions of corporate governance is the responsibility of the Management. Our examination has been limited to procedures and implementation thereof, adopted by the company for ensuring the compliance of conditions of corporate governance. It is neither an audit nor expression of opinion on the financial statement of the company.

In our opinion and to the best of our information and according to the explanations given to us, and the representation made by the Directors and Management, We certify that the Company has complied with the conditions of Corporate Governance as stipulated in the provision as specified in Chapter IV of Securities & Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 pursuant to the Listing Agreement of the said Company with Stock Exchanges.

We further state that such compliance is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the Management has conducted the affairs of the company.

INDEPENDENT AUDITOR'S REPORT

To the Members of Richirich Inventures Limited Report on the Indian Accounting Standards (Ind AS) Financial Statements

We have audited the accompanying Ind AS financial statements of **Richirich Inventures Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2017 the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the companies (Indian Accounting Standards) Rules, 2015 as amended under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act and the Rules made there under including the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its financial performance (including other comprehensive income), cash flow and changes in equity for the year ended on that date.

Other Matter

The financial information of the Company for the year ended March 31, 2016 and the transition date opening balance sheet as at April 1, 2015 included in these Ind AS financial statements, are based on the previously issued statutory financial statements for the year ended March 31, 2016 and March 31, 2015 prepared in accordance with the companies (Accounting Standards) Rules, 2006 (as amended) which were audited by Deepak SL Agarwal & Co., with their unqualified opinion dated 21st May, 2016 and 29th May, 2015 whose report have been furnished to us and which have been relied upon by us for the purpose of the statement. The adjustments to those financial statements for the differences in accounting principles adopted by the Company on transition to the Ind AS have been audited by us.

Our opinion is not qualified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act ("the Order"), and on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanations given to us, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the statement of changes in equity dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the Internal Financial Controls over financial reporting of the Company and operating effectiveness of such controls, refer to our separate report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The Company has provided requisite disclosures in its Ind AS financial statements as to holding as well as dealing in Specified Bank Notes during the period from 8 November, 2016 to 30 December, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with the books of accounts maintained by the Company and as produced to us by the management. Annexure – A to the Auditor's Report

The Annexure referred to in Independent Auditors' Report to the members of the Company on the Ind AS financial statements for the year ended 31 March 2017, we report that:

- (i)
 - (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets;
 - (b) A substantial portion of the fixed assets have been physically verified by the management during the year and in our opinion the frequency of verification is reasonable having regard to the size of the Company and Nature of Business. No material discrepancies were noticed on such verification.
 - (c) The Company does not have any immovable properties, So the question of title deeds does not arise.
- (ii) The company does not have inventory during the year. Thus, paragraph 3(ii) of the Order is not applicable to the Company.

- (iii) The Company has granted interest free loans, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act, 2013 as per the information and explanation given to us. Also, in earlier years an interest free loan was granted to companies, firms or other parties covered in the register maintained under Section 189 of the Act.
 - a) As per the information and explanations given to us the terms and conditions of the grant of such loans are not prejudicial to the company's interest;
 - b) In the case of a loan granted to the party listed in the register maintained under Section 189 of the Act, certain loans are interest free and the principal is repayable on demand and the Company has not sought repayment of the loan during the current year. On certain loans the Company has charged interest, however the principal is repayable on demand and the Company has not sought repayment of the loan during the current year ;
 - c) There are no overdue amounts in respect of the loan granted to a party listed in the register maintained under Section 189 of the Act.
- (iv) As per the information and explanation given to us and in our opinion, the Company does not have any transactions to which the provisions of Section 185 apply. Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Richirich Inventures Limited** ("the Company") as of 31 March 2017 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

RICHIRICH INVENTURES LIMITED

NOTE: SIGNIFICANT ACCOUNTING POLICIES

Notes to Financial Statements for the year ended March 31, 2017 – continued

1. INFORMATION

Richirich Inventures Limited is a company limited by shares incorporated and domiciled in India. The Company is listed on the Bombay Stock Exchange. The address and registered office and principal place of business are disclosed in the Annual Report.

1.1 SIGNIFICANT ACCOUNTING POLICIES

i) Statement of Compliance

The separate financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of Companies Act, 2013 and Companies (Indian Accounting Standards) Rules, 2015.

Up to the year ended 31st March, 2016, the Company prepared its financial statements in accordance with the requirements of previous GAAP, which includes Standards notified under the Companies (Accounting Standards) Rules, 2006. These are the Company's first Ind AS separate financial statements. The date of transition to Ind AS is April 1, 2015. Refer Note xv for the details of first-time adoption exemptions availed by the Company.

The separate financial statements are presented in addition to the consolidated financial statements presented by the Company.

ii) Basis of Preparation and Presentation

The separate financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

For financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

. Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;

. Level 2 inputs are inputs, other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and

. Level 3 inputs are unobservable inputs for the asset or liability.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products/activities of the Company and the normal time between acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and noncurrent.

These financial statements are presented in Indian Rupees (₹) which is the Company's functional currency. All amounts are rounded off to the nearest thousands (two decimals), unless otherwise stated.

iii) Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition, less accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price (excluding refundable taxes), borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditures related to an item of property, plant and equipment are added to its carrying value only when it is probable that the future economic benefits from the asset will flow to the Company & cost can be reliably measured.

Losses arising from the retirement of, and gains or losses arising from disposal of property, plant and equipment are recognized in the statement of profit and loss.

Depreciation on property, plant and equipment has been provided on straight line method as per the useful life estimated by management, the life of the assets has been assessed based on technical certification, taking into account the nature of the assets, the estimated usage of the assets, the operating conditions of the assets, past history of replacement, anticipated technological changes, etc.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

iv) Capital work-in-progress

Projects under which tangible fixed assets are not yet ready for their use are carried at cost, comprising direct cost, related incidental expenses and attributable interest.

v) Intangible Assets

Intangible assets, being computer software, are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. The cost comprises acquisition and implementation cost of software for internal use (including software coding, installation, testing and certain data conversion).

Amortisation is recognised on a straight-line basis over their estimated useful lives. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the disposal proceeds and the carrying amount of the asset and are recognised as income or expense in the Statement of Profit and Loss.

Cost of software is amortised over a period of 5 years being the estimated useful life.

vi) Intangible assets under development

Expenditure on development eligible for capitalisation is carried as intangible assets under development where such assets are not yet ready for their intended use.

vii) Impairment of Assets

The Company assesses at end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the lower of recoverable amount and the carrying amount that would have been determined had no impairment loss been recognised.

viii) Financial instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instruments. Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

Financial assets

All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

Classification:

Debt instruments that meet the following conditions are subsequently measured at amortised cost:

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and

- the contractual terms of the instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

All other financial assets are subsequently measured at fair value.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts (including all fees and points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the debt instrument, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest basis for debt instruments other than those financial assets classified as at FVTPL. Interest income is recognised in the statement of profit or loss and is included in the "Other income" line item.

Financial assets at fair value through profit or loss (FVTPL)

Financial assets at FVTPL are measured at fair value at the end of each reporting period, with any gains or losses arising on remeasurement recognised in the statement of profit or loss. The net gain or loss recognised in the statement of profit or loss incorporates any dividend or interest earned on the financial asset. Dividend on financial assets at FVTPL is recognised when the Company's right to receive the dividends is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

Impairment of financial assets

The Company applies the expected credit loss model for recognising impairment loss on financial assets measured at amortised cost, loan commitments, trade receivables, financial guarantees not designated as at FVTPL and other contractual rights to receive cash or other financial asset.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18, the Company always measures the loss allowance at an amount equal to lifetime expected credit losses.

Further, for the purpose of measuring lifetime expected credit loss ("ECL") allowance for trade receivables, the Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

Derecognition of financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

Foreign exchange gains and losses

The fair value of financial assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of each reporting period. For foreign currency denominated financial assets measured at amortised cost and FVTPL, the exchange differences are recognised in profit or loss.

Financial liabilities and equity instruments

Classification as debt or equity

Debt and equity instruments issued by a Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by a group entity are recognised at the proceeds received, net of direct issue costs.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost using the effective interest method or at FVTPL. Financial liabilities are classified as at FVTPL when the financial liability is either contingent consideration recognised by the Company as an acquirer in a business combination to which Ind AS 103 applies or is held for trading or it is designated as at FVTPL.

Financial liabilities that are not held-for-trading and are not designated as at FVTPL are measured at amortised cost at the end of subsequent accounting periods. The carrying amounts of financial liabilities that are subsequently measured at amortised cost are determined based on the effective interest method.

Foreign exchange gains and losses

For financial liabilities that are denominated in a foreign currency and are measured at amortised cost at the end of each reporting period, the foreign exchange gains and losses are determined based on the amortised cost of the instruments

Derecognition of financial liabilities

The Company derecognises financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. An exchange between with a lender of debt instruments with substantially different terms is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. A substantial modification of the terms of an existing financial liability (whether or not attributable to the financial difficulty of the debtor) is accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

Derivative financial instruments

The Company enters into derivative financial instruments to manage its exposure to foreign exchange rate risks, including foreign exchange forward contracts.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently remeasured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in profit or loss immediately

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortization

ix) Earnings per share

Basic Earnings per share are calculated by dividing the net profit / (loss) after tax for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

x) Employee Benefits

Retirement Benefits

Gratuity to employees will be accounted for on cash basis. In respect of provident fund and employees state insurance scheme contribution is not applicable to the company.

xi) Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

Onerous Contracts

Contingent liability is disclosed for (i) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

xii) Revenue recognition

Finance Income is recognised on mercantile basis, when the Income is accrued and due to the company. Dividend Income is recognised on receipt basis.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the amortised cost and at the effective interest rate applicable.

xiii) Taxes on Income

Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the separate financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

xiv) Non-current assets held for sale

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

xv) First-time adoption – mandatory exceptions, optional exemptions

Overall principle

The Company has prepared the opening balance sheet as per Ind AS as of April 1, 2015 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, by reclassifying items from previous GAAP to Ind AS as required under Ind AS, and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to certain exceptions and certain optional exemptions availed by the Company as detailed below.

Classification of debt instruments

The Company has determined the classification of debt instruments in terms of whether they meet the amortised cost criteria or the FVTPL criteria based on the facts and circumstances that existed as of the transition date.

Deemed cost for property, plant and equipment, investment property and intangible assets

The Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as of 1st April, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Impairment of financial assets

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind ASs, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

1.2 STANDARDS ISSUED BUT NOT EFFECTIVE

In March, 2017, the Ministry of Corporate Affairs issued the Companies (Indian Accounting Standards) (Amendments) Rules, 2017, notifying amendments to Ind AS 7, statement of cash flows and Ind AS 102, share based payment. The amendments are applicable to the Company from 1st April, 2017.

Amendment to Ind AS 7:

The amendment to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. The Company is evaluating the requirements of the amendment and the effect on the financial statements is being evaluated.

Amendment to Ind AS 102:

The amendment to Ind AS 102 provides specific guidance to measurement of cash-settled awards, modification of cash settled awards and awards that include a net settlement feature in respect of withholding taxes. It clarifies that the fair value of cash-settled awards is determined on a basis consistent with that used for equity-settled awards. Market-based performance conditions and non-vesting conditions are reflected in the 'fair values', but non-market performance conditions and service vesting conditions are reflected in the estimate of the number of awards expected to vest. Also, the amendment clarifies that if the terms and conditions of a cash-settled share-based payment transaction are modified with the result that it becomes an equity-settled share-based payment transaction, the transaction is accounted for as such from the date of the modification. Further, the amendment requires the award that include a net settlement feature in respect of withholding taxes to be treated as equity-settled in its entirety. The cash payment to the tax authority is treated as if it was part of an equity settlement.

The requirements of the amendment have no impact on the financial statements as the standard is not applicable to the Company.

The company monitors and manages the financial risks to the operations of the company. These risks include market risk, credit risk and liquidity risk.

23.3 Credit risk management

Based on the Company's monitoring of customer credit risk, the company believes that no impairment allowance is necessary in respect of trade receivables that are not past due or past due but not more than 180 days. Trade receivables consist of a large number of customers and the companies do not have significant credit risk exposure to any single counterparty. Ongoing credit evaluation is performed on the financial conditions of the trade receivables.

The credit risk on liquid funds and derivative financial instruments is limited because the counterparties are banks with high credit-ratings assigned by credit-rating agencies.

23.4. Fair Value Disclosures

Particulars	Year ended March 31, 2017	Year ended March 31, 2016	Year ended March 31, 2015
Financial assets			
Investment measured at Fair Value through Profit and Loss Account	546.39	258.00	-

23.5 Fair value of financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required) Except as detailed in the following table, the directors consider that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair values.

A. Fair value cash and short term deposit, trade and other short term receivable, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amount largely due to short term maturities of this instrument.

B. Fair value hierarchy

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices)

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs)

INSTRUCTIONS

General Instructions

1. Shareholders have option to vote either through e-voting i.e. electronic means or to convey assent/dissent in physical form. If a shareholder has opted for Physical Assent / Dissent Form, then he/she should not vote by e-voting and vice versa. However, in case Shareholders cast their vote through both physical assent/dissent form and e-voting, then vote cast through physical assent/dissent shall be considered, subject to the assent/dissent form being found to be valid and vote cast through e-voting shall be treated as invalid.
2. The notice of Annual General Meeting is dispatched/e-mailed to the members whose names appear on the Register of Members as on September 01, 2017 and voting rights shall be reckoned on the paid up value of the shares registered in the name of the shareholders as on the cut-off date i.e on September 22,2017.
3. Voting through physical assent / dissent form cannot be exercised by a proxy. However, corporate and institutional shareholders shall be entitled to vote through their authorised representatives with proof of their authorization, as stated below.

Instructions for voting physically on Assent / Dissent Form

1. A Member desiring to exercise vote by Assent / Dissent should complete this Form (no other form or photocopy thereof is permitted) and send it to the Scrutinizer, M/s M.S. KAYAMKHANI & ASSOCIATES, Practicing Company Secretary and send the same at their cost to reach the Scrutinizer at the registered office of the Company on or before the close of working hours i.e. 6.00 p.m. on September 25, 2017. All Forms received after this date will be strictly treated as if the reply from such Member has not been received.
2. This Form should be completed and signed by the Shareholder (as per the specimen signature registered with the Company/ Depository Participants). In case of joint holding, this Form should be completed and signed by the first named Shareholder and in his absence, by the next named Shareholder.
3. In respect of shares held by corporate and institutional shareholders (companies, trusts, societies, etc.), the completed Assent / Dissent Form should be accompanied by a certified copy of the relevant Board Resolution/appropriate authorization, with the specimen signature(s) of the authorized signatory(ies) duly attested.
4. The consent must be accorded by recording the assent in the column 'FOR' or dissent in the column 'AGAINST' by placing a tick mark (✓) in the appropriate column in the Form. The assent or dissent received in any other form shall not be considered valid.
5. Members are requested to fill the Form in indelible ink and avoid filling it by using erasable writing medium(s) like pencil.
6. There will be one Assent / Dissent Form for every folio / Client id irrespective of the number of joint holders.
7. A Member may request for a duplicate Assent / Dissent Form, if so required, and the same duly completed should reach the Scrutinizer not later than the date specified under instruction No.1 above.
8. Members are requested not to send any other paper along with the Assent / Dissent Form. They are also requested not to write anything in the Assent / Dissent form excepting giving their assent or dissent and putting their signature. If any such other paper is sent the same will be destroyed by the Scrutinizer.
9. The Scrutinizer's decision on the validity of the Assent / Dissent Form will be final and binding.
10. Incomplete, unsigned or incorrectly ticked Assent / Dissent Forms will be rejected.
